MOURNE SENSE

The Mournes are a working countryside from which people derive a livelihood. Thoughtless behaviour causes problems for farmers, local residents and visitors when gates are left open, cars block lanes and country roads, when rubbish is left behind and when dogs are not kept under control. Using a little Mourne sense helps everybody to enjoy the area with the minimum disruption and danger to wildlife and livestock. Please:

- **Park sensibly;**
- **Leave gates, walls and fences as you found them;**
- **Take your litter home;**
- **Keep dogs under control;**
- **Be careful with fire;**
- **Dress appropriately and bring extra food.**
